

## Issue 7

**September 2017**

*Mesa Media recently parted with a dear friend, a resourceful contributor and a reliable partner. Kristin was family. "She would be there through thick and thin," remembers Anita.*

*Anita has known Kristin Huisinga Harned for so long –pay hisat– she cannot remember the first time they met: "It seems like I have always known Kristin." They both travelled together on the great Hopi road named Hopilavayi. Kristin sat in the hot plaza at Walpi. She harvested corn with humility, shelled it and prepared the hominy for our traditional stew. She made many Hopi foods, always with refreshing laughter and smiles. Kristin also opened many doors for Mesa Media, raising money and finding scholarships for workshops and for the creation of Hopilavayi materials.*

*Our dear friend left us on September 26 to pursue her own journey, along the road to sweet eternity. While it will take some time for us to recover and regroup, her wonderful witty spirit remains here with us at Mesa Media.*
